SUBJECT: ERRATUM OF TENDER NO. EDET 331/2026: APPOINTMENT OF SIX (06) SERVICE PROVIDERS PER PACKAGEFOR SUPPLY AND DELIVERY FOR UNIFORM AND PERSONAL PROTECTIVE EQUIPMENT (PPE) TO THE DEPARTMENT FOR A PERIOD OF THREE (03) YEARS

1. The above matter refers.

2. Bid No. EDET 331/2026 was advertised and published on the eTender Portal and the Departmental website on 29 October 2026.

2.1 On page 03 of the bid document, an error was identified regarding the inclusion of SBD 3.1 as a required returnable Standard Bidding Document, to be submitted together with the tender document by the stipulated closing date and time.

3. Kindly note that SBD 3.1 does not form part of the required returnable Standard Bidding Documents for this bidding process, as the tender does not require bidders to submit pricing information. Therefore, bidders are not required to complete or submit SBD 3.1 as part of their tender submissions.

4. On page 59 of the bid document, under 5.3.1. Allocation of 20 points for preferential goals, the following additional information is provided for bidder to consider under bullet number three (3). The following are new amendments made to bullet number three (3) and four (4) respectively:

   - Only the 6 highest scoring bidders per package will be appointed.

   - The department reserves the right to appoint more than 6 bidders per package if bidders are tied on points, and that tie pushes the number of appointable bidders above 6 - in that case, all the bidders with same equal score with the last qualifying score will also be appointed. (Everyone tied on 6th place gets appointed)

5. Bidders are advised to consider corrections as per the erratum.

Kind regards

PP

Dr Rathumbu I.M
Head of Department
