1. Technical Evaluation

Appendix A

Gatekeepers

Tick √

Description		Technical Criterion	Scoring Criteria	Weight (%)
1	**Proof of previous similar experience**			
1.1	Verifiable Proof of similar transaction	1. Evidence of recent (up to 6 years) previous splicing/lagging contracts/purchase orders, value of contract/purchase order with contract/purchase order number and a reference letter signed by customer.	20 = verified proof of four (4) PO with signed reference letter 10 = verified proof of two (2) PO with signed reference letter 0 = No or less than 2 submissions	20
2	**Technical compliance**			
2.1	Equipment availability	1. Proof of ownership of at least 1 hot vulcanizing press for 1500 wide belt with calibration certificate not older than 1 year.	20 = Proof of ownership of 2 or more presses with calibration certificates 15 = Proof of ownership of 1 press with calibration certificate 0 = No proof	20
	Splice Strength Sample	2. Provide a compliant sample of splice strength conducted from a reputable lab like CSIR	Proof of splice strength = 10	

		Sample to include: Tensile testing Peel testing Shear testing	No proof = 0	10
Description		**Technical Criterion**	**Scoring Criteria**	**Weight (%)**
2	**Technical compliance [continued]**			
2.2	Quality Control Plan Splice	Previous client-approved Quality Control Plan (QCP) with Company Letterhead for a steel cord and textile splice	15 = 3 or more signed QCP 10 = 2 signed QCP 5 = 1 signed QCP 0 = No signed QCP	15
2.3	Quality Control Plan Lagging	Previous client-approved Quality Control Plan (QCP) with Company Letterhead for a pulley lagging	15 = 3 or more signed QCP 10 = 2 signed QCP 5 = 1 signed QCP 0 = No signed QCP	15
2.4	Key personnel experience and qualifications	CV of key personnel (Splicer and Supervisor) with proof of qualifications, each having at least 4 years experience, that will be used at Duvha Power station for the duration of the contract.	20 = Proof of splicer and supervisor's qualifications, each with 4 or more years experience	20

			10 = Proof of splicer and supervisor's qualifications, each with less than 4 years 0 = No submission or incomplete submissions, missing certificates etc.	
Total Weighted Score			**/100**	

Supplier that does not meet the gatekeepers and also obtain a score above 70% will be deemed unacceptable
