	Compliance with Vehicle Registration, Licensing and Roadworthiness Requirements	**Mandatory Returnable Schedule: T1**

The Bidder shall provide certified copies of the Certificate of Registration (RC1) and valid License Certificate for each Articulated Dumper Truck, Excavator and Front-End Loader. In cases where such certification is not applicable, the Bidder must submit a formal letter of exemption from roadworthiness as contemplated in the National Road Traffic Act, from the relevant issuing authority.

If the bidder intends to lease equipment, a letter of intent to lease must be submitted from the lessor signed by both parties and a lease agreement for the equipment leased signed by both parties. The letter submitted must include all the equipment intended to be leased accompanied by service records indicating the service hours and service history must be submitted.

The Service provider must also provide a summary of the submitted Compliance with Vehicle Registration, Licensing and Roadworthiness Requirements by filling in the table below:
