Eskom	TECHNICAL EVALUATION CRITERIA

1. Technical Evaluation Criteria (Functional)

The following documents shall be submitted:

1.1. Completed: **ECOU Deviation Schedule for Informal Tenders_rev1_2019.pdf**

1.2. Completed **Technical Schedules** (complete "Schedule B" column)

The bidder is required to submit all the information required and the document must be correctly completed. Any gaps (blanks), TBA, and similar remarks will render the document incomplete.

1.3. **Manufacturer's Drawings** showing dimensions and markings

1.4. **Type Test Reports** as indicated in the Technical Schedules:

- Visual examination (SANS 61284)
- Dimensional and material verification (SANS 61284)
- Hot dip galvanizing (SANS 121)

Evaluation requirement: 100% compliance
